This is the October 1988 issue of the Dorinda, Published by the Shire of Caer Galen of the Society for Creative Anachronism. The Dorinda is available from D. Elizabeth Robinson, 370 S. 43rd Street, Boulder, CO, 80303. It is not a corporate publication of the Society for Creative Anachronism Inc., and does not dictate or deliniate SCA policy. Actually, a lot of folks say it doesn't do much of any thing at all.

The Opinions herein are those of the editor unless otherwise noted.

Submissions are due at Caer Galen Shire meeting, or by the 20th of the month by mail. Artwork and Articles are welcome. I prefer that typed submissions be no more than 7 1/2 inches wide. Brief notices and reputable gossip may be submitted over the phone. Disreputable gossip is highly encouraged to be submitted over the phone, although I may not print it.

Subscriptions are $6.00 for 12 issues, payable to SCA - Caer Galen, and submitted to the chronicler or reeve..

VIKING VINTR VUNDERLANDT FOUR

The Fourth Annual Viking Vintr Vunderlandt will be held in Dragonsspine on November 12th, A.S. XXIII. The sites will be the same as last year -- Black Forest El Paso County Park/Black Forest Community Church.

The day's events will be as in the past -- the BIG Game of three teams and a 'sheep', somewhat akin to other peaceful sports as rugby, soccer and a melee. The losing team wins custody of a wonderful (in the old sense) traveling trophy for a year. We will also have some kind of viking games as spear tossing, hammer throwing and other events of skill. **DRESS WARMLY!** Change to your party clothes at the indoor site.

As this year also commemorates the 10th Birthday of the Barony of Dragonsspine -- our first DECADE anniversary -- we are holding a DECADEnt revel. This is NOT a bawdy revel, but rather, a challenge to see just how decadent the vikings could really be. It is a time of silken garb, furs and brocades. What could the vikings come up with in the way of apparel after they brought their booty home? There will be a bardic where period and filk performances will be equally appreciated. Baroness Miranda will be featuring a competition of finger foods, where DECADEnce will also be considered -- such as marzipan stuffed dates -- a 'Pampered Hamper' munchies contest. We request that entries be treated tastefully -- this is NOT the infamous DECADENCE party, but a DECADEnt celebration of a 10th year as a barony.

There will be the usual luncheon sideboard of 'creative' Scandinavian dishes. The evening meal is a Fortune Kettle -- if you do not bring something to share, we'll all be HUNGRY. There will be a dessert sideboard from the Pampered Hamper competition. Please enter.

AUTOCRAT
Duchess Selene of the Sky
Penny Tegen
2926 Valarie Circle
Colorado Springs, CO 80917
(719) 597-5259

NOTE OF IMPORT! Site fee is $1.00 and the luncheon side board is $4.00 IF RESERVATIONS ARE RECEIVED BEFORE OCTOBER 20TH. This will increase to $6.00 between October 20th and November 5th. Anyone wanting to eat at the lunch sideboard, and who has not reserved by November 5th had better be on good terms with the Autocrat. Grovelling may not help. Due to the nature of the food and the preparation required, it will be difficult to accommodate on-the-site additional feasters because we will not buy supplies expecting a large turnout this year!

al-Barran Midwinter

Our Barony once again will be hosting Midwinter solemnities -- this season on December 10th, A.S. XXIII. Our theme for this event is Courtesy, Comfort and Convenience. We have engaged the Youth Hall at the New Mexico State Fair Grounds to help us achieve this goal. The hall will seat 800. This means seating will be 6 to a table (Comfort), room for socializing and revelry (Convenience), and room to breath and move about freely thus maintaining Courtesy. The repast includes at this writing:

French Onion Soup with Bread and Cheese
Baked Chicken and Saffron Rice Green Beans Almondine
Roasts of Beef and Dublin Coddle Apecian Carrots
Plum Pudding Fruit Tarts Apple Compote

Other items and revisions may be made as the menu expands. We are planning to serve 300, but we can always cook more, if necessary.

Feast fees will escalate as the event draws near. We will be accepting PAID RESERVATIONS only. Get yours early and save! The fee schedule is as follows:

RE OUTLANDS/ ANSTEORRA WAR

From Lord Robyn Solarius, Bjornsborg, Ansteorra

"There was an overiding concern to make sure this war remained friendly. I agreed with this policy!!! This was attempted by having Saturday be mostly mixed melees, while the war was mostly Sunday. Thus while 5 scenarios were scheduled for Sunday, things got started late, everyone was tired, and only two scenarios got done. I didn't want to drive 10 hours to get killed by someone who kills me every month, I wanted to fight in a war! To keep things friendly it would have been better (imho) to try to mix campsites, and let all the fighting be war fighting.

Enough criticism. The first war scenario was an open field battle Saturday afternoon. Ansteorra slightly outnumbered Outlands (I heard 101 to 89?) Outlands tried to flank on both sides. Our right flank rolled up there left very successfully. The rest of the battle was very decisive with Ansteorra losing half to 2/3 of their force while Outlands was decimated.

Bridge Battle. Ansteorra started with a charge which was no more than a surge. Outlands showed their superior pole-arm skill with Counts Johann and Heinrich at one point holding the entire frontline by themselves. Outlands won with 10-20 people left.

Barricade: Very similar to the bridge with hay bales closing off half the bridge. Results? Almost exactly the same as the Bridge fight.

Woods Battle: Limited Resurrection. Ansteorra defended the banner in the woods. The area we picked was a highly defensible but a very limited front cul-de-sac. In other words this turned into another BRIDGE BATTLE. Need I give the results? Three limited front battles to the Outlands, one open field to Ansteorra. This really highlighted the fact that Ansteorra has very little recent war experience, as I feel bridge battles are sucessful directly proportional to how much you do them.

Other thoughts:

1) Duke Christopher was very good about sending a similar number of fighters to go against what ever force we had left when the fronts disintegrated.

2) Ansteorra had much less and poorer trained pikemen. Who uses spear in lists? (which is mostly the kind of fighting we do here) I am refering to long spears, by the way.

.....Sorry this went on so long, this was one of the most fun events I've been to in 6 years of SCA. I hope this war becomes a tradition.

I forgot the funniest part of the whole Ansteorra/Outlands War. At closing court Sunday evening HMS Christopher was throwing candy to the populace. HMS Rebeka (of Ansteorra) had gotton off her throne to help a child pick some up. One thing led to another and just as Christopher was throwing a handful (somewhat underhanded) Rebeka bent over to pick up some and Christopher hit her a good one right on the tush. After everyone picked themselves up from the ground amid much tears (including thankfully HMS Michael) Ansteorra began a good natured chant for war over the "insult" to our Queen. On the way back to camp we decided next year would be the Candy-assed war. Robyn.
